The IDAutomationHC39M font (represented in green below) is the only free size provided. The purchased version contains several other sizes in standard, human-readable, standard extended, and human-readable extended versions. The extended version of the purchased product also supports lowercase characters. The last character in the font name determines the height of the barcode with the shortest being "XS" and the tallest being "XXL".

Font Size	Font Height at 12pt	IDAutomationHC39	IDAutomationC39
XS	.20" or .5 CM	IDAUTOC39	
S	.35" or .9 CM	IDAUTOC39	
M	.50" or 1.2 CM	IDAUTOC39	
L	.70" or 1.8 CM	IDAUTOC39	
XL	.90" or 2.3 CM	IDAUTOC39
